The Graduating Class

of

Daleville High School

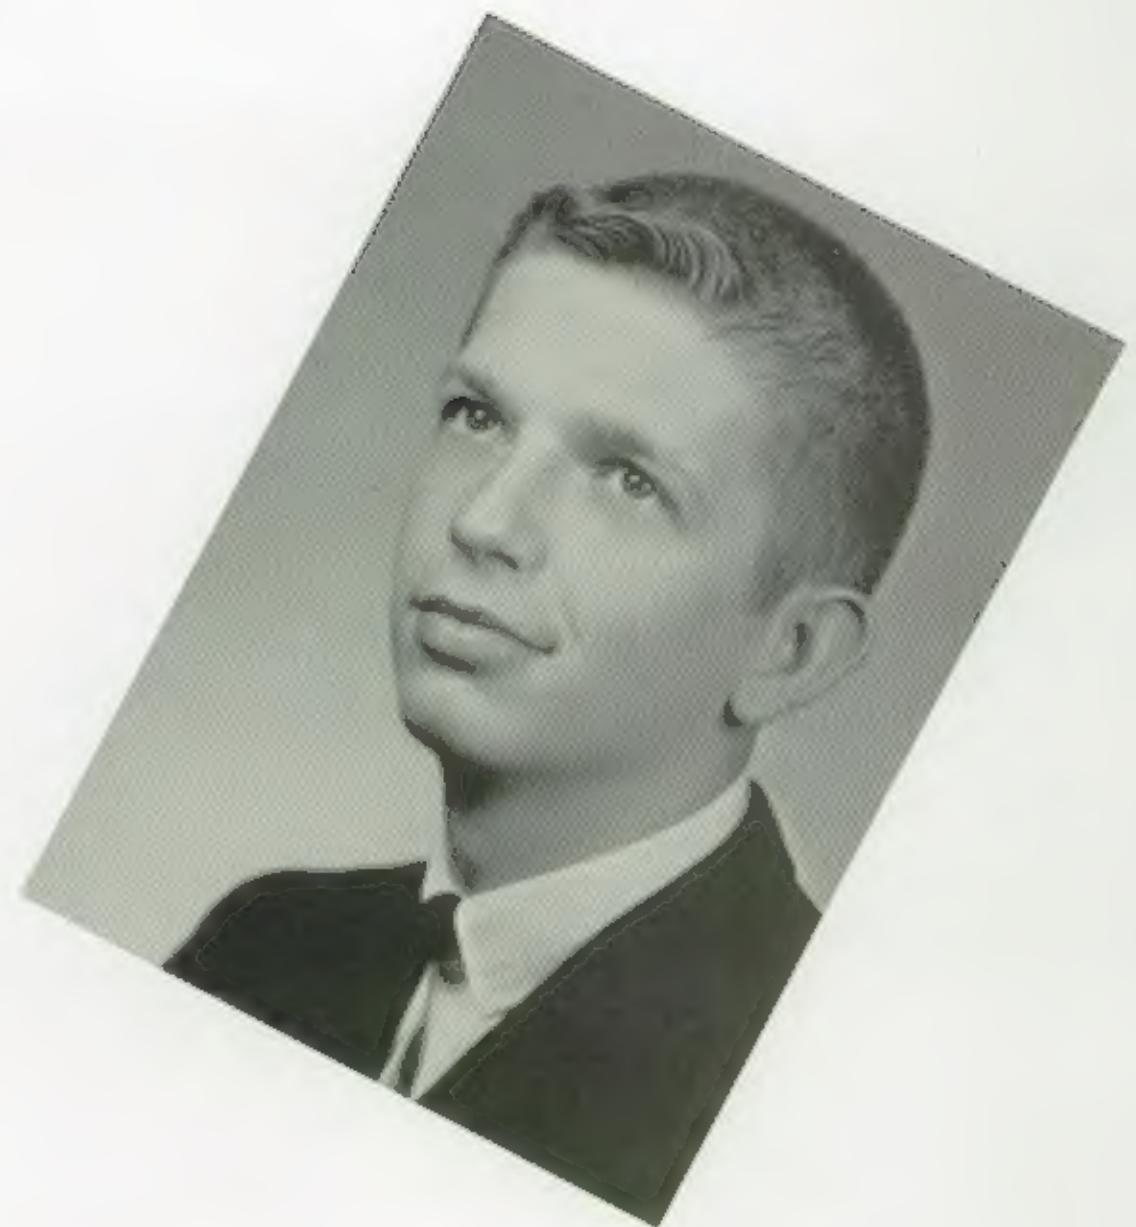

Presents

The DA CAPO

of

Nineteen Hundred and Sixty Three

Foreword

Memories are all we have now. We have traveled the course of our predecessors, and eventually you will all leave the halls of Daleville High School.

We can only give advice. You, who have yet to complete your high school years, have the greatest opportunities of any youth in the world. Moreover, you have the chance to build a successful future.

If you capitalize on your advantages and remain affected by the spirit of youth, success will be yours.

Dedication
and
Appreciation
to the Faculty of the
Daleville Schools

For their efforts, sacrifices, and hard work, we respectfully dedicate this yearbook to the faculty of Daleville Schools. We feel it is time that the teachers are recognized for their work. We shall always recall their advice and guidance. They have made imprints upon our minds, and we shall be ever thankful for the invaluable aid they have given us.
